STERLING DAYS

Sterling Days specialise in fully-inclusive corporate tours for small groups of up to 8 people combining classic car rallying with golf, wine tasting, gourmet dinners and luxury accommodation.

Classic Car Tours

Our selection of exclusive tours through the Vienne and Loire regions of France cover some of the most scenic routes in the area. Detailed maps are provided each day in a Tulip style with vehicles leaving at 1 minute intervals.

Throughout the tours cars are rotated, so our guests will be able to experience a number of cars to include:

E-Type Jaguar
S-Type Jaguar
Austin Healey 3000
Mercedes 350 SL

The Sterling Challenge is incorporated in each tour to create a competitive edge – ideal for team-building or just for fun! Points are awarded throughout the tour to include driving results and challenges with the trophy awarded to the winning team at the presentation dinner on the final night.

Golf Days

Our golf days are run in the same manner as the Classic Car tours but the emphasis is on the Golf rather than the driving. Following the morning rally, guests arrive at the Golf Club resort for lunch, followed by an afternoon on the golf course. Golf clubs will be transferred to the course as part of our complimentary luggage service.

Our flexible approach means any tour can be further enhanced to suit individual preferences including hot air ballooning and chateaux visits.
